

November 9, 2011

Dear Fraternal Order of Police Lodge 5,

On November 8, 2011, I was elected to City Council.

My campaign spanned a 10-month period and my success was the result of hard work, a tireless commitment to reaching and engaging voters, and the support of family, friends and a strong campaign team.

And, perhaps most importantly, it was the result of your financial investment. With your help, my campaign raised nearly \$1 million dollars and those resources allowed me to engage voters in ways that other campaigns can only dream of.

I will not forget your support. You were a friend to me when I needed you and I will not forget that friendship. My door will always be open to you. And you can expect that I will continue to count on you as I seek your advice, guidance, and direction.

We are part of the same team in a city that is faced with many challenges. I am ready to lead this city in a new and bold direction. I look forward to working with you to make a new vision for Philadelphia a reality.

Thank you.

Sincerely,

Bobby
