Due of the expense of the Hotels and the limited rooms available, they are taking reservations from /for elected delegates only. If a delegate wants to bring family members, they must stay in the same room due to the limited number of rooms set aside

Housing chairman Mike Cammerota will accept all reservations for the State of Pennsylvania Lodges. He has a list of all of our delegates from the Gettysburg Biennial Conference that will be used to confirm the number and names of our Delegates. The state is encouraging Delegates who are traveling to Long Beach without family members to try to share a room with another delegate from the Lodge.

As we get closer to the cut off date of May 01, 2009, those waiting for additional rooms will be contacted, if we have any available.

Please fill out the form attached prior to calling the Housing Chair for reservations. This will make the process easier, as you will have the information completed right in front of you. This one step will ensure a smooth operation in securing your room reservation.
