Dear President McNesby,

I am writing to you to ask for your help on an issue that affects our members.

As you know we are amid contentious contract negotiations with the Division of Public Safety and the Trustees of the University of Pennsylvania, and in a show of solidarity for the insulting wage increase offered to our union, some of our members protested by not volunteering for construction overtime at the Hospital of the University of Pennsylvania.

I have recently heard that this action has angered V.P./Chief Maureen Rush and she has contacted the City of Philadelphia Police Department to take over the detail to break our union members.

I respectfully request that you and your members show solidarity with us and refuse to accept this detail.

Fraternally
Eric J Rohrback
President, University of Pennsylvania
