

FOP Lodge #5

Brothers and Sisters,

Your lodge continues to uphold exclusive programs that were designed to extend a “helpful hand” for you and our families.

On behalf of your Lodge#5, I will remind you each month to take advantage of our very special program, your Heroes Auto Advisory Group, a professional advocacy circle of retired Police, Firefighters and Military with many years of experience in the auto industry.

Finally, we have our team of experts who select particular dealer participants who are willing to provide a “no hassle” friendly and trustful experience. With your Heroes Auto Advisory Group, there is no confusion or frustration when you purchase a vehicle, new or used.

When you are ready, go to **heroesautoadvisorygroup.com** and click the “get started” button. Your Heroes Auto Advisory Group staff will carefully review all of your detailed requests and information.

Then, the Heroes Auto Advisory Group staff will inform your dealership participants about your specific details and your vehicle needs. Their liaison support provides the necessary direction to our dealer participants and guarantee a smooth accurate process from start to finish.

As an additional value, your Heroes Auto Advisory Group ensures that a monetary contribution is donated “in your name” to our Survivors Fund from our dealer participants with each vehicle purchase from our members and their families.

Remember, when it is time, please go to **heroesautoadvisorygroup.com** and click the “get started” tab. The information you enter will help us to help you find ANY vehicle model (Camry, Civic, Altima, Elantra, Cherokee, Silverado etc.) or make (Toyota, Nissan, Mitsubishi, Honda, Kia, Chrysler, Buick, Jeep, Ford, Chevy etc.) that you desire.

For additional information or if you have any questions, call us at 215-768-6505 anytime.

Fraternally,

John McNesby / President
